Dear Sir/Madam

Greetings from the Netherlands Trade and Investment Office in Taipei (NTIO). We hope that this e-mail finds you in good spirit.

On Tuesday, November 14 we are organizing, together with our co-organizer, the first edition of the **“NL-TW INNOVATION COOPERATION CONFERENCE and MATCHMAKING”** event.

This event aims to foster innovation cooperation between Taiwanese and Dutch organizations on industry level, institution level, university level or any combination of these.

This year, two topics will take centre stage: **“Photonic Integrated Circuits”** and **“Fibre Optic Sensing”**. The entire Dutch value chain in those fields will be well represented in Taiwan by CEOs, research leaders and industry experts.

Shangri-La's Far Eastern Plaza Hotel in Taipei City will serve as the venue for the day.

Please do take a minute to review the attachment where you will find information about the program events, the speakers, the Dutch delegators, our co-organizers and the matchmaking sessions.

We sincerely hope that you can attend our conference and we encourage you to take part in the matchmaking.

The seats are limited to 165, we offer you the opportunity to make use of the preregistration round.

Please register for the conference via:

<https://goo.gl/4rJFQF>

For the matchmaking please register via:

<https://dutchphotonicstaiwan2017.b2match.io/marketplace#/>

On Monday, October 23 the regular registration will be opened. By then seats will go on a first come first serve basis.

Should you have any questions, do not hesitate to contact the Innovation, Technology and Science department at the NTIO: [hollandinnovation@ntio.org.tw](mailto:hollandinnovation@ntio.org.tw) / +886 (0) 2 8758 7229

Best regards,  
Wouter van Marle
