Below the title, there are two main options: "自行輸入代碼" (Manually enter code) and "條碼辨識輸入" (Barcode recognition input), which includes icons for a barcode and a QR code. In the center, there is a text input field labeled "代碼輸入:" with a small instruction below it: "輸入服務代碼查詢所有服務。" (Enter service code to query all services). At the bottom of the input area, there are two navigation buttons: "返回" (Back) and "下一步" (Next). Overlaid on the bottom half of the screen is a virtual keyboard with letters A-Z, numbers 0-9, and function keys for "倒退" (Backspace) and "重新輸入" (Re-enter).
